Learning Session Date: _____ Pool Dates: _____

Diver training is meant to be fun and exciting, but like any form of learning, you will need to invest some time and effort to make the most of your course. Please review the following and sign at the bottom of this form to confirm your agreement.

This learning agreement is between you, the 'Student,' and us, 'Southern Indiana Scuba,' and it outlines our mutual course responsibilities.

Student Responsibilities:

The learning session of your SSI Open Water class consists of an online student kit based on home study prior to attending the class. The review session with an instructor is designed to answer questions and review key points. **IT IS NOT A SUBSTITUTE FOR INDEPENDENT HOME STUDY.** There will be a written 50-question exam in class, requiring an 80% score to pass.

By signing below, you are agreeing to:

- Review and complete all course enrollment paperwork, and study your SSI Open Water Course Online Student Kit. Ensure you complete your reading and reviews prior to class. Your course may be *canceled, rescheduled, or delayed* if you have not read and completed your online student kit before arriving for your review session.
- **Bring your mask, fins, snorkel, and boots with you to the Saturday class. The mask, fins, snorkel, and boots MUST BE scuba quality.**
- Have the medical form signed by a physician, if necessary, before your course start date. Your course may be canceled, rescheduled, or delayed if any required medical approval is not received by Southern Indiana Scuba staff before the course start date. This may result in additional costs, as outlined below.
- Be on time for all course dates. Late arrival may result in the *cancellation or rescheduling* of your course at an additional cost to you.
- Arrive for pool and/or open water dives on time, allowing time to get changed.
- Follow all pool, open water, and course procedures as outlined by your instructor(s) and in your enrollment paperwork, and be attentive during your training sessions.
- Ask questions about anything that you do not understand.

Missed/Rearranged Sessions:

Due to the nature of the course structure, it is important that all course dates are attended in the correct sequence. Unless prior arrangements have been made and confirmed in writing with Southern Indiana Scuba, students will incur the following rearrangement charges:

- \$25.00 no-show fee for pool sessions
- \$50.00 no-show fee for open water sessions

Additional/Continued sessions:

Due to the nature of the course structure, it is important that all course dates are attended in the correct sequence. The group Open Water course consists of two pool sessions for a total of six - seven (6 -7) hours. After these six - seven (6 -7) hours you will need to sign up for additional pool time. Students will incur the following additional/continued session charges:

- \$100.00 to re-attend group pool sessions
- \$155.00 to upgrade to Private Open Water

I acknowledge that I have read and understand the above statement.
